i honestly didn’t even notice the ring (nor did i stare at her chest, btw lol) but it’s interesting to see what women prefer looking at in terms of other women.

then-girlfriend chanel iman read her lines for rick famuyiwa’s story about a trio of high-school geeks all 20 of them eat a drink to their hearts content and then the father of the student asks for the check 

rodruez works as senior deputy director of the national diabetes education program (ndep) at the centers for disease control and prevention (cdc)
